PROFESSIONAL SUMMARY

I'm a Frontend Developer passionate about creating modern, responsive, and user-centered web experiences. I enjoy transforming ideas into intuitive and engaging interfaces through thoughtful problem-solving, with a strong focus on usability, accessibility, and quality. Driven by curiosity and continuous improvement, I strive to build applications that deliver meaningful user experiences while growing through hands-on product development.

TECHNICAL SKILLS

Technologies

- HTML5
- CSS3
- JavaScript
- TypeScript

Frameworks / Libraries

- React
- Next.js
- Tailwind CSS
- Framer Motion
- Zustand

Tools & Version Control

- Git
- GitHub
- Figma
- Vercel

DEVELOPMENT PRACTICES

- Responsive Design
- Accessibility
- API Integration
- Performance Optimization
- Debugging
- Version Control
- Component-Based Architecture

EXPERIENCE

TravelBrain AI | 2026 – Present

Frontend Developer

Designed and developed the frontend of an AI-powered travel planning platform focused on delivering intelligent itinerary generation and a seamless user experience. Built a modern, responsive interface with an emphasis on performance, accessibility, scalability, and clean architecture while integrating AI-powered backend services.

- Developed responsive, accessible, and mobile-first user interfaces that provide a consistent experience across devices.
- Designed reusable and maintainable UI components to ensure consistency and improve long-term scalability.
- Improved frontend performance through code splitting, lazy loading, and modern optimization techniques.
- Integrated frontend features with REST APIs to deliver dynamic, AI-powered functionality and real-time application data.
- Contributed to product planning, UI/UX design decisions, and iterative feature development from concept through implementation.

Tech Stack: Next.js, TypeScript, Tailwind CSS, Framer Motion.

EDUCATION AND TRAINING

Education

2021-2026: Federal University of Technology, Minna.

B.Eng. in Telecommunication Engineering.

Technical Courses Completed

2024-2025: Huawei ICT Academy | HCIA DataCom

Other

- Member of code with Big J
- Football
- Video Games
